Why Study Public Safety at UMGC?

A public safety degree from UMGC can prepare you to respond to a wide range of public safety threats at the federal, state, or local level. And can help you with promotion, as well as post-public safety career options.

- **Gain a distinctive edge:** Build a strong foundation of knowledge about the justice system while developing your skills in leadership, management, and cross-agency collaboration.
- **Learn from industry leaders:** Our faculty hold key positions in the military, judicial system, and police and fire departments. Our instructors work in federal agencies including the FBI, FEMA, NSA, Secret Service, Department of Defense, Department of Homeland Security, and the State Department.

- **Hit the ground running:** Our admissions process does not require the SAT, ACT, GRE, or GMAT, and our courses can help you learn skills you can apply immediately in your field of work.
- **Explore your options:** UMGC's public safety programs include criminal justice, homeland security, investigative forensics, legal studies, and public safety administration. No matter how you want to serve, we have you covered.
- **Earn a respected degree:** UMGC was founded over 70 years ago to meet the needs of working adults. We pair the flexibility of online learning with the reputation of a public state university.
- **Save on materials:** Study from anywhere with no-cost digital course materials for nearly all classes.
- **Prepare to protect and serve:** Employers are seeking to fill positions vital to government, military, and corporate security throughout the country and the world.
