

International Public Safety Association Statement Violence at the United States Capitol

Goodyear, Arizona – January 6, 2021

The International Public Safety Association is addressing the issue of violence at the United States Capitol today where protestors breached the premises resulting in a delay of the constitutional process to certify the electoral college vote.

- Numerous public safety resources from multiple state, local and federal agencies are on-scene including the D.C. National Guard (over 1,000).
- Officers have been injured.
- Property damage has occurred.
- Lawmakers have been evacuated.

This is a heartbreaking event in America today. The violence at the U.S. Capitol today is unconscionable.

The International Public Safety Association stands in support of the numerous public safety professionals and service members who are managing the on-going incident at the United States Capitol. We are grateful for your service to our country.

About the International Public Safety Association

The International Public Safety Association, a 501(c)3 non-profit organization, was established in July 2014 in the State of Arizona to bring the public safety community closer together by offering opportunities to network, cross-train and build a stronger public safety community capable of an effective joint response to all incidents. www.joinipsa.org
