Re: International Public Safety Association Supporter Program

Dear Colleague:

I wanted to extend an invitation to you to become a 2017 International Public Safety Association Supporter. You can directly support the important mission and work of IPSA in bringing together the various facets of the public safety sector.

In consideration of your support, IPSA will promote your company in various ways throughout the year. IPSA attracts members from across public safety here in the U.S. and around the world. It is a great organization through which to showcase your company's efforts.

As a 501(c)3 nonprofit, the IPSA relies on individuals and organizations to help us provide programs, services, training and resources to the public safety community. We recognize the critical role everyone has in keeping public safety officials and communities safe.

For a \$500 tax-deductible contribution, the IPSA will provide all Supporters the following over a 12 month period (from date of donation):

1. Organizations will be able to display their logo on the Supporter Page with a link to your website.
2. Supporters are eligible to become Official IPSA Bloggers. Here's an example.
3. Individual Supporters will receive their name on the Supporter Page.
4. All Supporters will be recognized on IPSA social media channels.
5. All Supporters will be recognized in an IPSA newsletter.
6. Use of the IPSA logo (subject to IPSA approval) as a Supporter.
7. IPSA is a 501(c)3 non-profit. All supporter donations are tax deductible under IRC Section 170.

I appreciate your consideration. Here's information about how/where to sign-up: <http://www.joinipsa.org/Supporters>
