

## IPSA Refund Policy

Authorized by the IPSA Board of Directors on May 3, 2024.

Our members' and prospective members' satisfaction is extremely important to us. If you are not fully satisfied, we will issue a prorated refund of your membership dues or donations. The IPSA will not refund any expenses related to cancellations of travel or other financial obligations associated with any of our events. Any refund information other than that which is in this policy specific to each event/program is stated in the registration materials for that program.
