

IPSA Corporate Supporter Program

We recognize the critical role private industry has in keeping public safety officials and communities safe. Given this, the IPSA created a Corporate Supporter Program that benefits your company and the public safety community. Ultimately, the goal of this program is to build a long-standing relationship with each organization that provides services to the public safety community.

There are five Corporate Supporter levels available. Contact us with questions at info@joinipsa.org

Public Safety Column: Our digital editorial is an excellent way to share your organization's expertise with the field. All articles are published on our website, shared on social media and in a newsletter. We have thousands of followers between social media and our newsletters. Check out our [articles](#). A single article is valued at \$500. All IPSA Corporate Supporters have the benefit of submitting two or more articles.

Logo on Website: The IPSA does not post 3rd party logos on our website unless you're a Corporate Supporter (or exhibiting/sponsoring a special event). This is an exclusive opportunity.

Targeted Webinar: This opportunity includes the complete registration list, co-branding and all logistics support. Targeted webinars are published on our website, shared on social media and in a newsletter. We have thousands of followers between social media and our newsletters, and the IPSA is known for drawing an excellent audience to its webinars. The value of a single targeted webinar is \$3,500. Check out our [webinar recordings](#) page to see some previous webinars.

Associate Level Membership: All IPSA members receive complimentary webinar registration, discounted pricing for our in-person events, the ability to participate in the development of our publications and the opportunity to serve on a committee. An Associate-Level Membership is valued at \$50 per individual.
